

## Description

Modern design with 3 tiers of refrigerated display, ideal for all your sweet or savoury products. This unit will enhance your front of house retail space while also increasing sales. The shelves are individually lit with energy saving white LED lighting under each shelf to help present the products.

There are rear sliding doors for easy access, also making the unit easy to use and clean when required. Ventilated cooling comes as standard with the added advantage of heated anti mist front glass. It contains energy saving hydrocarbon refrigerant and a D Rated Energy label.

## Star Features

- Ventilated cooling
- Fixed shelves
- Rear sliding doors
- Square heated anti mist front glass
- Digital controller
- Individually lit shelves
- Black front
- LED light
- Double glazed
- Energy saving natural refrigerant
